You can search Google
Books for any book or
topic. In this case, let's
go with "Alice in

Wunderland" since it's

a well-known book, and
there's probably a free
eBook or two for this

title. The original work

is in the public domain,
so most of the

variations are just with
formatting and the

Download File

PDF 1000 Beliebte

number of illustrations included in the work.

However, you might also run into several

copies for sale, as

reformatting the print copy into an eBook still

took some work. Some

of your search results

may also be related works with the same

title.
