After The Holocaust

In 1947 the British forced the ship Exodus 1947, carrying 4,500 Holocaust survivors headed for Palestine, to return to Germany. In most cases, the British detained Jewish refugees denied entry into Palestine in detention camps on the Mediterranean island of Cyprus.

The Aftermath of the Holocaust | The Holocaust Encyclopedia

Many Holocaust survivors found themselves in territory liberated by the Anglo-American armies and were housed in DP camps that the Allies established in Germany, Austria, and Italy. They were joined by a flow of refugees, including Holocaust survivors, migrating from points of liberation in Eastern Europe and the Soviet occupied zones of Germany and Austria.

After the Holocaust | My Jewish Learning

After all the Holocaust Survivors went through & the government of Israel ignores them. To learn the die of starvation because they receive no benefits from the Israeli government or such small benefits that they cannot survive. The attitude that only those who died were good people is ludicrous!

Amazon.com: Watch After the Holocaust | Prime Video

With little in the way of financial resources and few, if any, surviving family members, most eventually emigrated from Europe to start their lives again. Between 1945 and 1952, more than 80,000 Holocaust survivors immigrated to the United States. Life After the Holocaust was a project of the United States Holocaust Memorial Museum to document the experiences of six Holocaust survivors whose journeys brought them to the United States.

About Life after the Holocaust | The Holocaust Encyclopedia

Immediately after the Holocaust, countries such as the United States were preoccupied with the Cold War, whereas countries like Germany were controlled by foreign powers, and the Holocaust was not the main concern. Only as time went on did Europe begin to understand the importance of restitution and reparations.

Aftermath of the Holocaust - Wikipedia

After the Holocaust is an economic, military, and political simulation of events in the United States, twenty years after a large-scale thermonuclear exchange with the Soviet Union. The game is ten turns long, and is designed for four players, each of whom controls a different region of North America and part of Canada.

2) Holocaust After The Holocaust Antisemitism did not end with the defeat of the Nazis. Survivors trying to find safety in the aftermath encountered virulent antisemitism from the local populations of central and eastern Europe. In Poland alone, more than 1,000 Jews were killed during the first year after liberation.

Surviving the Aftermath of the Holocaust

"The history that Brenner deftly recounts confounds any urge to extract simple lessons from the Holocaust or its aftermath.... Brenner has instead provided something more fragile and more valuable, a reminder that the way people reassemble their lives after tragedy is miraculously complicated." ---Noah J. Efron, The Boston Book Review
