His latest book, due to be released in August, is Money, Taste, and Wine: It's Complicated! (Rowman & Littlefield). It debunks the (obvious) myth that pricier wine is always better wine, even though—and I suppose this is why, in part, it's complicated—we enjoy wine more when we're told it's expensive, even if it's not.

Money, Taste, and Wine: It's Complicated - Book Review

As wine economist and best-selling author Mike Veseth peels back the layers of the money-taste-wine story, he discovers the wine buyer's biggest mistake (which is to confuse money and taste) and learns how to avoid it, sips and swirls dump bucket wines and Treasure Island wines, and toasts anything but Champagne.

The event, VinoVIP Cortina, has always focused on taste, wine, and the inspirations and sacrifices that winemaking entails. What Do We Talk About? This year the event moved to the Tuscan coast, the famous resort town of Forte dei Marmi. The focus of VinoVIP al Forte shifted, too, from taste and wine to money and wine. We always talk about taste, someone told me, now we need to discuss the business side of wine with equal passion, candor, and serious purpose.
