Hannah Arendt (1970). "On Violence", p.50, Houghton Mifflin Harcourt 24 Copy quote. I'm more than ever of the opinion that a decent human existence is possible today only on the fringes of society, where one then runs the risk of starving or being stoned to death. In these circumstances, a sense of humor is a great help.

Hannah Arendt (the major thinker in this book sometimes referred to by her first name). In May that year, the Nazi völkisch in Marburg had gained three times more votes than the national average in the Reichstag elections. It was an early shot across the bows, but not entirely out of keeping with the town's recent history.
