Alienation is a feeling of being separated and estranged from others. This leads to emotional isolation or dissociation emotionally . It is essentially a sociological concept developed by several classical and contemporary theorists and is "a condition in social relationships reflected by a low degree of integration or common values and a high degree of distance or isolation between ...

Alienation | Psychology Wiki | Fandom

Georg Wilhelm Friedrich Hegel. Although the roots of alienation lie far back in the Judeo-Christian tradition, the concept of alienation first gained prominence in the philosophy of Hegel, and particularly in his mature writings. There are signs of the idea in his earlier works, but it is not until the Phenomenology of Spirit (1807)
