This tax-free part of the payment is figured when your annuity starts and remains the same each year, even if the amount of the payment changes. The rest of each payment is taxable. However, see Insurance Premiums for Retired Public Safety Officers, later. You figure the tax-free part of the payment using one of the following methods.

Of course, knowledge of existing coronavirus sequences was used to guide the sequencing of SARS-CoV-2, but that doesn't mean that scientists didn't correctly identify the virus. (I suspect that molecular biologists who deal with next gen sequencing would be face palming furiously, if they ever listened to this part.)
