The South Side A Portrait

This book takes on a great deal: both location specific (The South Side: A Portrait of Chicago...) and wider application (...and American Segregation), a mesh of journalism/memoir/research, compelling arguments for integration...or maybe not, and examinations of housing, education, crime, and politics -- all with eye to past, present, and potential future. No wonder the urge to exhale at the close is palpable.

The South Side: A Portrait of Chicago and American ...

In The South Side, local resident Natalie Moore weaves three themes into a long taut braid. There are her memoirs of growing up in south side Chicago, garlanded by its history and characters. There is the socioeconomic backdrop which altered that history and twisted it into less than it could have been and still could be.
